

Privacy Policy of www.shsitaly.com

For information about your personal data collected, the purposes and the subjects with whom the data are shared, contact the Data Controller.

For more information and to know your rights you can also view the complete version of this privacy policy via the link at the bottom right.

Data Controller

SHS S.r.l.s Via del Poggetto 439 S.Anna – 55100 – Lucca, C. F. and VAT number 02583630468

Owner's email address:

info@shsitaly.com

Types of Data collected

The Owner does not provide a list of types of Personal Data collected.

Complete details on each type of Personal Data collected are provided in the dedicated sections of this privacy policy or through specific information texts displayed before the collection of the Data itself.

Personal Data may be freely provided by the User or, in the case of Usage Data, collected automatically during the use of this Application.

Unless otherwise specified, all Data requested by this Application is mandatory. If the User refuses to communicate them, it may be impossible for this Application to provide the Service. In cases where this Application indicates some Data as optional, Users are free to refrain from communicating such Data, without this having any consequence on the availability of the Service or its operation.

Users who have doubts about which Data is mandatory are encouraged to contact the Owner.

Any use of Cookies - or other tracking tools - by this Application or by the owners of third-party services used by this Application has the purpose of providing the Service requested by the User, in addition to the further purposes described in this document and in the Cookie Policy.

The User assumes responsibility for the Personal Data of third parties obtained, published or shared through this Application.

Method and place of processing of the collected data

Treatment methods

The Data Controller adopts appropriate security measures aimed at preventing unauthorized access, disclosure, modification or destruction of Personal Data.

The processing is carried out using IT and/or telematic tools, with organizational methods and logic strictly related to the purposes indicated. In addition to the Owner, in some cases, other subjects involved in the organization of this Application (administrative, commercial, marketing, legal, system administrators) or external subjects (such as third-party technical service providers, postal couriers, hosting providers) may have access to the Data. , IT companies, communication agencies) also appointed, if necessary, as Data Processors by the Data Controller. The updated list of Managers can always be requested from the Data Controller.

Place

The Data is processed at the Owner's operational offices and in any other place where the parties involved in the processing are located. For further information, contact the Owner.

The User's Personal Data may be transferred to a country other than the one in which the User is located. To obtain further information on the place of processing, the User can refer to the section relating to details on the processing of Personal Data.

Retention period

Unless otherwise indicated in this document, Personal Data is processed and stored for the time required by the purpose for which it was collected and may be stored for a longer period due to any legal obligations or based on the consent of the Users.

Cookie Policy

This Application uses Tracking Tools. To find out more, Users can consult the

Cookie Policy.

Further information for users

Legal basis of the processing

The Owner processes Personal Data relating to the User if one of the following conditions exists:

the User has given consent for one or more specific purposes.

the processing is necessary for the execution of a contract with the User and/or the execution of pre-contractual measures;

the processing is necessary to fulfill a legal obligation to which the Data Controller is subject;

the processing is necessary for the execution of a task of public interest or for the exercise of public powers vested in the Data Controller;

the processing is necessary for the pursuit of the legitimate interest of the Data Controller or third parties.

However, it is always possible to request the Data Controller to clarify the concrete legal basis of each processing and in particular to specify whether the processing is based on the law, provided for by a contract or necessary to conclude a contract.

Learn more about storage time

are to be used by the Owner in court or in the preparatory stages of its possible establishment for the defense against abuse in the use of this Application or related Services by the User.

The User declares to be aware that the Owner may be obliged to reveal the Data by order of public authorities.

Specific information

Upon request of the User, in addition to the information contained in this privacy policy, this Application may provide the User with additional and contextual information regarding specific Services, or the collection and processing of Personal Data.

System logs and maintenance

For needs related to operation and maintenance, this Application and any third-party services used by it may collect system logs, i.e. files that record interactions and which may also contain Personal Data, such as the User IP address.

Information not contained in this policy

Further information in relation to the processing of Personal Data may be requested at any time from the Data Controller using the contact details.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by notifying Users on this page and, if possible, on this Application as well as, if technically and legally feasible, by sending a notification to Users via one of the contact details of which he is in possession of. Please therefore consult this page frequently, referring to the date of last modification indicated at the bottom.

If the changes affect processing whose legal basis is consent, the Owner will collect the User's consent again, if necessary.

Definitions and legal references

Personal Data (or Data)
